

## Artist Training Berlin

Counselling Center  
at UdK Berlin Career College

The Counselling Centre Artist Training Berlin offered initial consultation and referral for all fields at the University of Arts Berlin. The Counseling Centre was connected to the International Office, the Intercultural Mentoring, the General Student Counselling Office and the Equal Opportunities Commissioner of the UdK Berlin. The goal was to find tailor-made offers and contact persons for prospective students, students, researchers and professional artists with refugee backgrounds.

### What?

1. Consultation or referral to counselling centres on the resumption and continuation of artistic or creative studies that were started abroad at the UdK Berlin
2. Consultation and execution of offers for academic further education in the artistic and creative field
3. Consultation and referral to counselling centres or qualification offers in Berlin for the transition into the labour market
4. Consultation and referral for the continuation of a scientific professional career in the arts-related sciences at the UdK Berlin
5. Consultation and referral for refugee women on the compatibility of family and studies, further qualification or career

### For Whom?

**Prospective students** who had to give up their artistic or creative university studies in order to flee their countries or who want to start new studies

**Graduates** in artistic and creative fields or formal training in an artistic profession

**Professional artists and designers** who were looking for further education opportunities or consultation for self-employment

**Young researchers** in an arts-related field of the humanities and cultural studies who were looking for individual consultation for scholarships and research funding opportunities for the continuation of a scientific career or an institutional connection to the UdK Berlin

...with refugee backgrounds.
